JASPER DIVERSITY PROJECT

Be YOU-tiful

You're different? That's awesome. You're just like the rest of us!

"Strength lies in differences, not in similarities."

JASPER DIVERSITY PROJECT

Accept your differences and be proud of them.

We are proud of the amazing progress we have made with our son on the autism spectrum!

Embrace your personal uniqueness. Embrace the uniqueness of your fellow community member.

We could learn a lot from crayons; some are sharp, some are pretty, some are dull, while others bright, some have strange names, but they all have learned to live together in the same box.

Diversity is about creating a dynamic environment in which people from all walks of life with all kinds of experiences and varied personal motivations come together with acceptance, innovation and excitement.

JASPER DIVERSITY PROJECT

Proud to be BROWN!

"When I see you through my eyes, I think that we are different. When I see you through my heart, I know we are the same."

"We may have all come on different ships, but we're in the same boat now."

JASPER DIVERSITY PROJECT

Celebrate what makes YOU unique!

YOU CAN WIN ANY BATTLE!

"Strength lies in differences, not in similarities."

"Why fit in when you were born to stand out?"

JASPER DIVERSITY PROJECT

You're different? That's awesome. You're just like the rest of us!

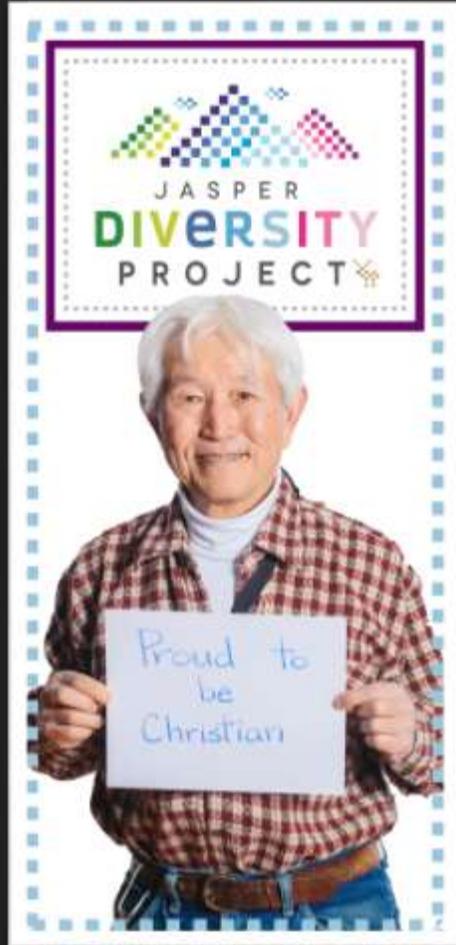

Socially Awkward + OK with it

"To be one, to be united is a great thing. BUT to respect the right to be different is maybe even greater."

"Today you are YOU. That is truer than true. There is no one alive that is YOUER than you!"
