- Nomination papers will not be accepted after the deadline.

Election of President

Nominations

Eligibility

The following persons are eligible for nominations:

- For Director and President positions: persons who are elected officials of a Regular Member in good standing in the relevant classification and have submitted nomination documents.
- For Vice-President positions: persons who have been elected as Directors for the relevant membership classification and have submitted nomination documents.

Nomination Documents

All nominees must file a completed prescribed nomination paper for each position the nominee wishes to contest and include the corresponding nomination documents (*see Appendices for nomination papers*). For example, a nominee could file nomination papers for President, Director and Vice-President.

Nomination papers for all positions must be signed by two other elected representatives from a Regular Member(s) who are eligible to vote in the election for the position.

Nomination papers for President and Vice-President positions must be approved by a motion of the council of the nominee's municipality.

The Candidate's Acceptance portion of the nomination paper includes a statement that the candidate has read and understands the Board Candidate Information Package. Nomination papers are available on the AUMA website and from the AUMA office.

In the event more than one elected representative from a municipality is nominated for a Director position, the municipalities' council will be required to pass a motion approving only one nominee.

Candidate Information

AUMA ensures that the following information is made available to members:

- a. Biography – each candidate will submit a biography in accordance with the requirements outlined in the Candidate Information and Nomination Package.

Insufficient Nominations

If there are no candidates for certain positions on the Board following the nomination deadline, the Returning Officer will issue a further call for nominations with a nomination deadline of 11:59 p.m. on the day before the AGM is held.

If there are still no nominations, the new Board, once duly convened, will either appoint a person to fill such vacancies (see Bylaws, Article 8.10 and 8.11) or call for applications.

If the Board calls for applications, it will determine a deadline for application forms. **Application forms will not be accepted after the deadline.**

The person appointed must be a person who would be eligible for nomination if an election were held.

Board Vacancy:

If a vacancy occurs in a Board position (which is not available for election that year) between the nomination deadline and the close of the Convention, the Returning Officer, after consulting with the Chief Executive Officer, will establish and announce a deadline time for the receipt of nominations and a time for election of a person to fill the vacancy.

Acclamation

If at the close of nominations, the number of persons nominated for any position is the same as the number required to be elected, the Returning Officer will declare the persons nominated to be elected by acclamation.

If any election is decided by acclamation, the Returning Officer will proceed immediately to the next election.

Withdrawal of Nomination

A person who has filed completed nomination documents may withdraw the nomination at any time.

If the number of remaining nominees exceeds the number of persons to be elected for the position, the Returning Officer will proceed with the election.

If the number of remaining nominees is equal to the number required to be elected to the position, the Returning Officer will declare those persons elected by acclamation.

If the number of remaining nominees is less than the number required to be elected to the position, the Returning Officer will re-open nominations with a deadline of 11:59 p.m. on the day before the AGM.

Presentation and Speeches of Candidates

Where an election is required, candidates will be asked to be at the front of the Convention hall at the time of the Returning Officer's report during the Annual General Meeting to draw for speaking order.

Each candidate will have the following times to address voting delegates:

- a. in the election for President, up to five minutes, and
- b. in all other elections, up to three minutes

The names of the candidates will be printed/displayed to the voting delegates in alphabetical order.

Responsibility of Officials

The responsibilities of the Returning Officer are to:

- a. establish and publish election procedures,
- b. appoint sufficient Deputy Returning Officers, Election Clerks, and other persons required to conduct the election,
- c. ensure a sufficient supply of nomination papers and other necessary materials and facilities to conduct the elections,
- d. receive and accept nominations, Chair and monitor the length of time of candidate videos,
- e. ensure all registered voting delegates receive the voting link,
- f. ensure the provision of voting instructions to each registered voting delegate,
- g. determine the vote counts, and
- h. declare acclamations and election results.

The responsibilities of a Deputy Returning Officer are to:

- a. assist the Returning Officer, as required.

NB: AUMA may enter into an agreement with the Local Government Administration Association (LGAA) for the naming of persons to serve as Deputy Returning Officers and Election Clerks and for any other matters relating to the conduct of the elections.

Election Expenses

Election expenses incurred by a candidate prior to or during service on the Board will not be reimbursed by the AUMA.

On Site Advertising

Candidates may begin to advertise on site at the start of the convention on Wednesday, November 17, 2021.

Candidates are permitted to advertise or promote their nomination in any manner they wish, **except for:**

- a. using AUMA branding on campaign materials,
- b. advertising within 20 feet of the registration desk or which in any way obstructs the registration area,
- c. advertising inside any rooms where official or business sessions of the Convention occur, or
- d. advertising in any manner that contravenes any rules of the operator of the facility in which the election is being held.
- e. All Candidates are required to follow the AUMA Code of Conduct (see AUMA Online Convention Landing Page).

Where a person displays any form of advertising or promotion material not permitted, the Returning Officer may ask to have it removed. The candidate is responsible for any clean-up costs.

Online Advertising

Candidates may use their own social media platforms for the promotion of their intended candidacy at any time.

Candidates:

- a. Must not make offensive comments about other candidates or engage in anything that negatively impacts AUMA's reputation.
- b. All Candidates are required to follow the AUMA Code of Conduct (see AUMA Online Convention Landing Page).

Part II – Online Voting Procedures

Electronic Voting Devices

Elections are to be conducted using an online voting platform.

Voting delegates, who have registered for Convention, will receive an email before the AGM. The email will include:

- Login credentials to vote;
- Instructions on how to vote; and
- A link to a test vote to confirm you received your voting credentials in advance of the elections.

The voting delegates will need to use their own electronic devices with internet access to log into the voting platform to cast their votes.

Each voting delegate will only have access to the specific election they are entitled to vote in on the voting platform.

General Order of Elections

The general order in which the 2021 elections will be conducted is:

- a. President
- b. Director(s) Cities up to 500,000 population
- c. Director(s) Towns
- d. Director(s) Villages
- e. Director Summer Villages
- f. Any Director by-election required
- g. Any other elections that may be required
- h. Vice-President Cities up to 500,000 population
- i. Vice-President Towns
- j. Vice-President Villages and Summer Villages

Time to Vote

Voting will open immediately after the candidates addresses to the voting delegates during the AGM.

Voting will remain open for 30 minutes.

Individual Voting

There is neither advance voting nor proxy voting in any of the Convention elections. Each registered voting delegate must enter his or her own vote using the link provided.

If a registered voting delegate is physically incapable of using the voting link, that voting delegate may request a Deputy Returning Officer to enter the vote as the voting delegate directs.

Secrecy of Vote

Voting by entering a vote using the link is the electronic equivalent of a secret ballot.

A Deputy Returning Officer who enters a vote for a registered voting delegate who is physically incapable of using the voting device must keep the entering vote a secret.

Technical Support for Improper Voting Links

A voting delegate whose voting link malfunctions during the voting period is to contact technical support.

Any AUMA employee who is providing the voting delegate with assistance will refer the delegate to technical support.

The technical support team can be contacted as follows:

Email Support:	Credentials@dataonthespot.com
Toll-free voting support:	1.833.368.7123
Election Manager:	JP Copeland jp@dataonthespot.com

Post Vote Procedures

Counting of Votes

Immediately after the closure of voting, the online voting platform will tally the votes cast for each candidate.

Returning Officer Review of Voting Results

The Returning Officer will review the voting results and confirm the results prior to displaying and announcing results to the audience.

Display of Voting Results

Results will be displayed on the voting platform and onscreen as a percentage of the total.

Election Results

The candidate receiving the highest number of votes will be declared elected by the Returning Officer.

In the case when there is an election for two Directors for Cities up to 500,000 population positions, in the first vote the person receiving the highest number of votes will be declared elected to one of the positions and in the second vote the person receiving the highest number of votes among the remaining candidates will be declared elected to the second position.

Equality of Votes

If two or more candidates receive an equal number of votes, the Returning Officer will declare the tie.

The Returning Officer will then declare a second vote, for the two candidates with the highest number of votes, and will allow voting delegates sufficient time to cast their votes in the voting platform.

In the event of a second tie vote, the Returning Officer will write the names of those candidates separately on blank sheets of paper of equal size and of the same colour and texture, and after folding the sheets of paper in a uniform manner so that the names are concealed, will deposit them in a receptacle and direct a person to withdraw one of the sheets.

The Returning Officer will declare the candidate whose name appears on the withdrawn sheet to have one more vote than the other candidate(s).

Declaration of Vote Results

The Returning Officer will declare the name(s) of the person(s) elected

- a. for the position of President before the elections for Directors.
- b. for the positions of Directors before elections for Vice-Presidents.
- c. for the positions of Vice President.
- d. for any other position at the conclusion of the election.

No Recount

A recount or revote will only be undertaken at the direction of the Returning Officer in the event that the electronic voting process fails, or if an objection is found to be valid.

At the discretion of the Returning Officer on a valid objection, either a revote can be undertaken or the position in question may be declared vacant.

Controverted Elections

Objection

Where a candidate or voting delegate presents an objection to the Returning Officer that the election was controverted to the degree of bearing on the outcome, the Returning Officer will immediately determine if the objection is, or likely is, valid.

The scope of such objections includes, but is not strictly limited to, inappropriate nomination documents, the use of a voting delegate's link by a person other than the voting delegate to whom it was assigned, bribery or undue influence of voting delegates and impropriety of election officials or officers.

An objection related to an alleged impropriety of the Returning Officer will be filed with the Chief Executive Officer who will undertake the functions of the Returning Officer described under the headings "Minor Objection" and "Action on Objections."

Minor Objections

The following objections presented to the Returning Officer may be considered not relevant to the outcome of the election but might be addressed by the Returning Officer if found to be valid:

- a. a voting link or voting device was used by a person other than the voting delegate to whom it was assigned,
- b. the advertising restrictions were violated,
- c. the candidates' names were not listed in alphabetical order (last name, first name), or
- d. a candidate's surname was misspelled on the voting link, ballot, or other document.

Action on Objections

Any objection or minor objection must be presented to the Returning Officer within one hour of the election.

Where a valid objection exists, which could have altered the outcome of the election, the Returning Officer will advise the membership, or if the Convention is concluded, advise the Board of that determination.

In either instance, the Board will have the authority to overturn the elections to the extent controverted, and may appoint the new Director(s), as they see proper. This action will be made known to the membership.
